

Stainless Steel Case

P320-50-P-G1/4" 0-10bar

Pressure gauge with stainless steel case
Back connection

Technical Features

Case:	Stainless steel
Glass:	Plastic
Socket:	Brass
Dial:	Aluminium, white varnished
Pointer:	Plastic, black
Temperature range:	-20...+80°C
Accuracy:	Class 1,6
Operating range:	Static pressure: 3/4 of the full scale Dynamic pressure: 2/3 of the full scale
Directives:	ROHS 2002/95/CE 2003/11/CE UNI EN 837-1 97/23/EC
